AAC Meeting Minutes
October 5, 2017
Joint Meeting with SAC

Meeting guest: Eileen Petula, Executive Vice President

CLCS

- Both committees discussed the proposed Academic Freedom Policy
- Concern was voiced about how the terms faculty, staff and administration were used.
- There was also concern over who were to determine the experts referred to in the document

All Campus Meeting Suggestions:

- Is there any way we could discuss the demographics of the students we have on campus for the school year?
- How can we best serve them?
- Highlight resources given to students
    - Health Center
    - Facility enhancements
    - IDEAS Center
        - What kind of donations are they accepting for student's
        - Programs offered
- Update on Strategic Planning Committee and Finance and Facilities Committee
- Time suggestions
    - 1:30-3pm so Physical Plant can attend
    - Early in November
- If possible send out agenda prior to the meeting so staff/faculty/administration can look it over and be prepared and engaged
- Maybe send out a google form to ask suggestion about what the campus wants to hear during the meeting?

Summer Working Group Talkback Meeting:

- Would like a chance to have an open forum and ask questions like in a "town hall" setting
- If possible we suggest there be educational programing to instruct campus contingents on why we are moving forward in the ways that we are. What are the goals and how will these action items help us reach those goals?
- More education on FUTURES vs. GATEWAY
