AAC Meeting

7 November 2013

Present: Brady Reichart, Mary Jane Webb, Michael Hurley, Brent Wilkerson, Andrea Bloodworth, Rebecca Dickinson

Special Guests: Pat Ferrey (Human Resources) and Sue Gaylor (Executive VP)

October minutes were approved with one change.

Discussion:

Sue and Pat presented a document summarizing the history leading up to changes in our health care plan. Allegheny had negotiated a four-year cap on premiums which expires at the end of this year. Because of this, our high rate of utilization, and nationally rising health care costs, Allegheny was looking at a possible 37% increase in premiums.

We can share this document with our constituent groups.

Dates to keep in mind:

December 2013: small group meetings to explain the choices

Late January/February 2014: Individual meetings with the insurance brokers to determine which plan is best for which individual.

There will be implications for those who participate in the FSA. More details will be forthcoming.

Next Meeting: 5 December 2013
