

ALLEGHENY COLLEGE EARLY DECISION AGREEMENT

This form must be submitted by all candidates seeking Early Decision.

For those wishing to resolve their college plans as early as possible, Allegheny College offers an Early Decision option. This option is offered to those for whom Allegheny is their first choice, and while Regular Decision applications to other colleges may be filed, a student may apply to only one school under Early Decision.

If admitted under the Early Decision Plan, you will be obligated to withdraw applications submitted to other institutions and to enroll at Allegheny. Financial Aid candidates are bound by this requirement if their financial need has been satisfactorily met. Please file the Allegheny College Early Decision Financial Aid Application, which you will receive from the Admissions Office after your application for admission has been submitted.

APPLICATION DEADLINE: November 15
(notification no later than December 15)

TO BE COMPLETED BY STUDENT AND PARENT

Please consider me for admission to Allegheny College as an Early Decision candidate. I understand that if I am admitted to Allegheny College under the Early Decision Plan and my financial aid award is satisfactory, I am obligated to enroll. Upon admission to Allegheny College, I will pay a non-refundable \$400 deposit within 30 days and withdraw any applications I may have submitted to other institutions.
