

READY FOR MORE THAN JUST AN INTERNSHIP?

MY CAREER: UPMC

SUMMER ASSOCIATES PROGRAM

If you're interested in innovation, collaboration, and professional growth, then explore our professional career possibilities at UPMC. While UPMC is already recognized for its outstanding clinical opportunities for medical students, did you know we also have non-clinical internships and entry-level jobs for college students and recent graduates? Whatever your major, we have opportunities that will help you build the foundation for your future career.

Departments include:

- Human Resources
- Finance
- Supply Chain
- Information Services
- Marketing and Communications
- Quality and Process Improvement
- Real Estate

Program information:

- 11-week, paid internship
- Located in Pittsburgh, Pennsylvania
- Real-world, hands-on experience
- Dynamic and engaging environment
- Extensive networking opportunities

Qualifications:

- Pursuing an undergraduate degree
- Cumulative GPA of at least 3.0
- Demonstrated leadership abilities
- Interest in health care-related fields
- Individuals seeking to further develop technical, communication, and analytical skills
- Outgoing and passionate individuals looking to expand their professional network
