### Summer Associates Program

This is an **11-week paid internship** based in **Pittsburgh, Pennsylvania**. Students in this program will develop career enhancing skills while learning from the best in a dynamic and engaging environment. Overall, a cumulative GPA of at least a 3.0 and demonstrated leadership ability through studies, employment, or extracurricular activities are strongly preferred.

The departments that support the program include: Finance, Information Services, Human Resources, Marketing/Communications, Quality and Process Improvement, Real Estate and Supply Chain Management.

#### Check Out Our Videos:

- Hear from [Mary](#), an Indiana University student who spent time with our Marketing/Communications teams.
- See [Karl](#), a University of Pennsylvania student working in our Finance/Accounting program.
- Watch [Alex](#), a University of Pittsburgh student, and his work with the ISD group.

### Finance Management Rotation (FMR) and Information Services Department Rotation (ISDR) Programs

The Financial Management Rotation (FMR) and Information Services Division Rotation (ISDR) programs are two year leadership development programs - during this time, you are a full-time employee of UPMC (with full-time salary and full-time benefits!).

Throughout the two years, you will experience **four, six-month rotations**. These rotations span across all divisions at UPMC. Click [HERE](#) to read about a "Day in the Life of an FMR" on the FMR Blog!

Undergraduate students that have graduated in May 2012 or graduate in January or June of 2013 will be considered.
