WE’VE GOT YOU UNDER OUR WING!

- Aflac pays CASH directly to YOU- not the doctor or hospital
- Benefits are paid regardless of any other coverage you may have
- Plans are guaranteed renewable- no matter how many times you use the plan
- Policies are fully portable- if you retire, change jobs or move to another state, you can take the policy with you at the same low payroll rate
- Plans are rate stable- rates won’t change, even as you change.
- Hassle free claim process- our Aflac agent will guide you through the process.

Available Programs:

**Accident**
Benefits are paid to you in the event you, or a covered family member, are injured due an accident 24 hours per day 7 days a week. From a broken tooth, lacerations, stitches, broken bones, or a major accidental injury there are benefits paid based on the severity of injuries. Aflac can provide your household cash for those unexpected expenses that always seem to follow like deductibles, copays, parking, traveling to a special treatment center, etc. Plus, you don’t have to be hospitalized to receive benefits. This plan includes a $60 wellness benefit per policy.

**For illustrative purposes only**

**Cancer Care Policy**
Nobody wants to think about it, but everyone knows someone who has encountered this dreadful disease. Aflac helps you with the out-of-pocket expenses by starting with a $2,000 cash benefit upon initial diagnosis. Then Aflac is with you throughout all of your treatments paying benefits for treatments such as surgeries, hospital stays, chemotherapy, radiation, even experimental treatments, etc. This plan includes an annual $40 wellness benefit.

**For illustrative purposes only**

**Hospital Advantage**
This plan helps protect against deductibles and copayments for illnesses. Aflac helps you with the out-of-pocket expenses by paying $1500 for a hospital stay of 24 or more hours for any reason, including child birth.

**For illustrative purposes only**

**Lump Sum Critical Care**
This plan is designed to protect against Heart Attacks, Strokes, coma’s, paralysis, Major Human Organ Transplant, and End Stage Renal Failure. This plan is guaranteed issue, and pays a $10,000 lump sum.
