

Washington Semester Program

American University Course Equivalencies

Things to remember...

- ☛ If you find a course in the program materials that is not listed below, stop by the International Office. We will provide you with the forms necessary to obtain the Allegheny course equivalency.
- ☛ Courses taken on this program are listed as American University transfer credit on the Allegheny transcript; only courses with a grade of “C” and above will transfer; program grades are NOT factored into your Allegheny GPA.
- ☛ Courses that have multiple equivalencies indicate cross-listings only; courses cannot be counted twice for graduation requirements.
- ☛ You must take the 8-credit seminar and the 4-credit internship. In addition, you have a choice between the 4 credit research project OR a 3 credit course from the regular set of courses offered by American University and its consortium partners. Students who take the 3-credit course will earn only 15 credits for the semester. If you want to take ONLY the 8-credit seminar and the 4-credit internship, you MUST have approval from your Allegheny academic advisor.
