2011 STUDENT SCHEDULE OF EVENTS
 ALLEGHENY COLLEGE

WELCOME TO ALLEGHENY

We are excited that you are finally here! This schedule is your guide to Allegheny's New Student Orientation 2011. We hope that you find the various Orientation events helpful, informative and fun. You'll notice that we have a busy week planned for you, filled with a variety of activities. We strive to include events that will introduce you to many facets of Allegheny life: academics, social life, co-curricular activities, and much more.

Please keep this schedule with you throughout the Orientation week. The program includes a quick "Schedule at a Glance" followed by a detailed listing of the events with complete descriptions. You will also notice some words of wisdom from current and former students. Remember, they've all been where you are right now, so they speak from experience. We hope you will find this advice helpful!

If you have any questions, or need assistance at any time, please don't hesitate to ask one of the Peer Leaders or call the Learning Commons office at 814-332-2898. We want to help with your transition to Allegheny in any way possible.

We encourage you to take part in as many activities as are offered during the next five days. These are your opportunities to meet your hallmates, classmates, and new friends!
