Statement of Community

Allegheny students and employees are committed to creating an inclusive, respectful and safe residential learning community that will actively confront and challenge racism, sexism, heterosexism, religious bigotry, and other forms of harassment and discrimination. We encourage individual growth by promoting a free exchange of ideas in a setting that values diversity, trust and equality. So that the right of all to participate in a shared learning experience is upheld, Allegheny affirms its commitment to the principles of freedom of speech and inquiry, while at the same time fostering responsibility and accountability in the exercise of these freedoms. This statement does not replace existing personnel policies and codes of conduct.

Title IX

As many of us know, there have been a number of changes and updates to Title IX and Allegheny College is taking steps to make sure we are meeting the needs of all our community members in light of these recent changes. A few things to be aware of for the new year:

The College continues to increase options for communication and reporting about incidents of sexual assault and the Title IX Office released a current list of Deputy Title IX Coordinators. Deputies are knowledgeable about, and will provide information on all options for complaint resolution. Deputies may also serve as advocates for students, faculty and staff seeking resources and guidance. The deputies, as part of Allegheny’s Title IX team, play an integral role in carrying out the College’s commitment to provide a positive learning, teaching and working environment for the entire community. Please call on any of these individuals for resources or referrals. The deputies are not responsible for investigating reports. In addition, please note that there are confidential reporting options both on and off campus. Contact information for the confidential resources can be found here: http://sites.allegheny.edu/titleix/reporting-an-incident/ 
Or please contact Katie Pope, Title IX Coordinator  
Email: kpope@allegheny.edu  
Phone: 814-332-3085  
Office Address: Room 201, Bentley Hall

As many are aware the Office of Civil Rights (OCR) is investigating our Title IX policies and procedures. This is an ongoing process that will likely take up to two years to complete. If you have any questions, please refer to the FAQ, available on the Title IX website or contact Katie Pope.

Please see the list of Deputy Title IX Coordinators on the next page.
