

## **PITTSBURGH AIRPORT SHUTTLE SCHEDULE 2013-2014**

Transportation is offered to the Pittsburgh (PIT) airport (and also to the Pittsburgh Megabus stop, see the Megabus link). The Cleveland airport shuttle has been discontinued due to minimal usage and rising costs. Shuttle sign-ups will be available on the Student Involvement web site <http://studentinvolvement.allegheny.edu> under Shuttle Transportation, beginning in July 2013.

**RESERVATIONS:** When making airline reservations, please allow ample time for travel to the airport, 1.75 hours to PIT plus the time needed for airport security checks. When arranging for your return flight, take into consideration flight delays that may occur. Shuttle passengers are expected to be at the pick-up location fifteen minutes prior to pick-up. Drivers are instructed to leave the airport at the scheduled pick-up time regardless of flight delays. If the College's transportation schedule does not meet your travel needs, refer to the Alternative Transportation Resources.

**COST:** A completed reservation form and non-refundable payment of \$30 for each way are required to reserve your space. **Deadlines of four business days in advance of departure and/or pick-up are strictly adhered to for vehicle reservation purposes and the \$30 rate.** On-line reservations received after the deadline are \$40 for each way and will only be accepted if seats are available. Once on-line reservations have closed if seats are available you may contract directly with the company for \$50. If you have a question regarding the Airport Shuttle Schedule, please contact the Office of Student Involvement at (814) 332-2754.
