Are you starting a new club or organization on campus? Do you want funding from ASG? Follow these easy steps for ASG Recognition!

Visit ASG or Student Leadership & Involvement and pick up this packet. Hooray, you're well on your way to creating a new club! The registration process is housed online on the Student Leadership & Involvement website for your convenience. Once on the website select the “Student Organization” tab and enter the “Student Organization Resources” page. Click on the “Register a new student organization” link and submit the requested information including: President, Treasurer, and Advisor names, e-mail addresses, box numbers, and phone numbers. Name of Organization, description of purpose, meeting times and location, and whether or not you intend to have ASG Recognition. If you are not seeking ASG recognition, please await contact from Student Leadership & Involvement letting you know if your status is approved.

ASG Recognition (and potential funding):
The ASG Attorney General will assist students with the organization recognition process. Please contact the Attorney General by emailing asg@allegheny.edu. The 2016-2017 Attorney General is Eric Chang.

Organizations must have the following: (paraphrased from ASG constitution):

- Be open to all students without respect to sex, race, creed, national origin, sexual orientation or ability.
- Officers of ASG recognized organization must be students.
- ASG organizations are required to have an Allegheny employee as an advisor.
- ASG organizations must have an officer designated as a liaison between the organization and ASG.

Organization Constitution:
Your constitution is the framework upon which the workings of your organization are based. The attached sample constitution contains the basic information that is necessary and obligatory for ASG recognition; however, you should not feel limited in any way to stick with only what is listed in the sample constitution. In order to receive ASG Recognition each year, your organization will need to resubmit a Constitution with all updated ASG requirements with the budget request.

An ASG recognized group must contain the following in their Constitution:
- The name of the organization
- The aim and objective of the organization
- Provisions and regulations regarding membership including, but not limited to, definition and eligibility (who can become a member) and establishment of quorum (how much of your group must be present in order to conduct official business – this number is normally 50 percent of membership plus one)
- A detailed process of election of officers, including when elections will be held (as per ASG By-Laws, these must be held before the end of March in order to qualify for budget hearings), a means for impeachment, and a line of succession
- A detailed description of the officers’ duties.
- A detailed description of the exercise of financial control (which also includes naming an official liaison to ASG from the group)
- Allowal for amendment changes to the group’s constitution (regardless of the details of the process, the group must allow its membership to approve the changes and then forward these to the Rules Committee who will then review the proposed amendments and send them to ASG Senate for a vote with or without a recommendation for approval).
- In addition, according to ASG By-Laws, the exclusion of members based on immutable characteristics has been defined as discrimination and is non-permissible. ASG-recognized organizations will be open to all students without respect to sex, race, creed, national origin, sexual orientation, ability/disability.

Organization Petition:
Use the attached petition to obtain signatures of 50 Allegheny students who support the idea of your organization and potential use of funding from student activities fees.
When Constitution and Petition are complete:
Submit your constitution as a word document to asg@allegheny.edu. Submit your organization petition via mail to the Attorney General, Allegheny Student Government Box 60 or in person to the ASG office in Room 316 of the Campus Center.

If you have any questions regarding the drafting of your constitution, get in touch with the ASG Attorney General who is there to help you!

In 2016-17 the Attorney General is Eric Chang. Eric may be reached at asg@allegheny.edu.

Once information is submitted to ASG:
Congratulations! At this point, the process of recognition is, essentially, out of your hands. Once the Attorney General has a copy of your constitution, the following will occur:

- The Attorney General will forward a copy to the ASG Rules Committee. The Rules Committee is responsible for taking a preliminary look at every constitution that wishes to receive ASG recognition, making sure they abide by ASG By-Laws, and in cases where a constitution does not, recommending changes that should be made in order to ensure ASG approval. We also ask that a representative(s) from the organization be present during the Rules Committee meeting to discuss any changes.
- Once the constitution is received by the Rules Committee, the Attorney General will provide copies of your constitution to members of the ASG Senate prior to its next meeting. They will be asked to review it, likewise.
- During the Attorney General’s report in the Senate meeting, the Senate will be asked to vote on your constitution. Your constitution must pass the senate with 2/3 majority vote in favor for two consecutive weeks.
- The Attorney General will serve as your chief contact during this process and should make you aware of the date your constitution will first be presented for discussion and a vote. It is, again, strongly recommended that the organization President and/or Treasurer (or other officers who can speak on behalf of the group) attend both the Rules Committee meeting during which your constitution will be presented and the Senate meeting during which your constitution is first presented for discussion, in order to answer any questions and correct any errors. Once your organization has received either approval or denial from the ASG Senate, the Attorney General will notify you within 24 hours.

If your organization needs a budget:

- After the constitution is approved (twice) your leadership can attend the ASG Finance Committee meeting which takes place every Tuesday at 6:00PM, in Campus Center Room 206.
- Organizations are encouraged to bring a printed accounting and explanation of the budget request.
- New organizations can request a maximum amount that is not greater than $300.00. Please contact the 2016-17 ASG Treasurer Luke McBride (finance@allegheny.edu).
- As a note, ASG provides very limited funding for uniforms. Any equipment purchased for your organization from ASG funds becomes the property of Allegheny College.
- When the organization is established, the group, in order to qualify for a budget the following year, must sign up for a time during regular organization petitioning for budgets from ASG. This is typically in the beginning of April.
- In order to petition for a budget this and subsequent years, constitutions must be resubmitted with any changes that might have been made to ASG By-Laws during the year (the Attorney General will make you aware of any changes that need to be made). Any group that fails to resubmit a constitution will not be permitted to complete a budget request.
- According to new financial policy, the enforcement of good and bad standing will be enforced more vigorously. When allocating budgets for the following year, the Committee of the Budget will give preference to groups in the following manner:
  - Existing Groups in Good Standing
  - New Groups
  - Existing Groups in Bad Standing

All Club Sports: Must contact Bill Ross wross@allegheny.edu before filing a constitution with ASG.
