Transportation
(A guide to how to get wheels at Allegheny)

Zipcar Program here at Allegheny College

Students are able to access Zipcars parked right on campus! The Zipcar program offers low hourly and daily rates which include gas and insurance. Those interested in taking advantage of the program must be 18 years or older to participate. Allegheny members can join the on-demand car-sharing program for a nominal annual fee.

- An initial membership fee is $15.00.
- Rates vary from $7.50 to $9.00 per hour depending on the type of vehicle.
- Two cars are available and are located behind Reis Hall.

For College Related Business
Drivers of Motor Pool vans are required to obtain “Gator Licenses” requiring classroom time and a driving test with Public Safety. Please contact Public Safety at x3100 or rwright@allegheny.edu.

ASG Van
The ASG van may be used by any student involved in a campus organization for official college business and student activities. Priority is always given to student organizations. All drivers must have a Gator License provided by Public Safety after vehicle training and certification. The driver must abide by all College Motor Pool policies, as well as ASG Van policies. Policies can be found at the ASG Office or on the ASG website.

- **Cost:** The vehicle must be returned with a full tank of gas. Monetary penalties for not returning the van without a full tank of gas, late, or with garbage left may be applied.
- **A list of general regulations**, including allocation and priority policies, is available at the ASG office in the Campus Center or online at http://asg.allegheny.edu/transportation. Please contact ASG at x4364 or asg@allegheny.edu for more information.

Motor Pool
The use of College vehicles from the Motor Pool is permitted for authorized and/or official college business, with department approval for the following

Last Updated 7.7.17
Organization and Department Activities
Conference Attendance
