

# Creek Connections Annual Teacher's Summer Institute

## Introduction to GPS Units

July 29th and August 2nd, 2005

**CREEK CONNECTIONS**  
Allegheny College

Teachers were introduced to the new GPS units available on loan for their class curriculum. After learning some basic steps in order to use a GPS unit, the teachers went on a Creek Connections geocache challenge. In addition, the teachers were given a refresher course on physical, biological and chemical stream sampling.
