Allegheny College is pleased to be partnering with

Plaza Express Car Wash

We have been able to arrange for an “employee discount” on the Top (3) Washes. The savings to you the faculty, staff or family member will be based on our participation. Here is how it works:

- 5 to 14 employee’s sign up and they will get \$1.00 off the selected wash program.
- 15 to 25 employee’s sign up and they will get \$2.00 off the selected wash program.
- 26-50 employees’ sign up and they will get \$3.00 off the selected wash program.

To get started: You will contact Terry Wygle at wygle@zoominternet.net that you want a form to participate. This form will indicate what level wash you want and will include a form for your credit card info for monthly billing OR you can contact Plaza Express Book keeper direct and give her your credit card information directly (Mandy Hamilton mandycarwash7@zoominternet.net or 814 337-8125). Should you want to opt out or jump to a higher wash level...you will need to contact Mandy to make that happen. At Allegheny College we are always looking for ways to pass the savings on to you, our valued associate!

WASH PACKAGES + Free Vac's		
Type Pkg.	Price	Includes
