AN EXCLUSIVE OFFER FOR EMPLOYEES

Allegheny College has selected National Fuel Resources, Inc. (NFR) as their supplier of natural gas. As an employee, you are eligible for an **EXCLUSIVE** offer to save money on your natural gas bill — **GUARANTEED**.

GUARANTEED SAVINGS. With NFR, you are guaranteed to save money on your natural gas bill. We guarantee a lower monthly natural gas rate versus the utility rate for an entire year!

EXCLUSIVE SAVINGS. This is an exclusive discounted natural gas rate off our standard public residential offers, and it is only offered to employees of select clients of NFR.

HOW IT WORKS. Simply switch to NFR as your natural gas supplier. As long as your home is located in NFR's service area, we guarantee we can save you money with this exclusive rate under the Employee Discount Program when compared to your natural gas utility company.

SAME DELIVERY SERVICE, ONE MONTHLY BILL. The utility will continue to read your meter, handle emergencies and deliver the natural gas to your home. You will continue to receive one monthly bill.

ENROLLMENT IS SIMPLE. To take advantage of this exclusive, discounted offer, simply call our customer service team at **1-877-637-8999**. Have your current utility account available. Customer Service will answer your questions and enroll you directly. There are no enrollment or cancellation fees.
