The proposed minor will (select one):

- Replace my current *minor*
- Be a second minor in addition to my current major(s) and minor

Students may elect one or two majors and one or two minors.

Proposal:

In preparing a proposal for a student-designed minor, please keep the following requirements in mind:

- Proposals must be submitted by April 1st of the students' 6th semester of attendance at Allegheny.
- The minor must contain a minimum of 24 semester hours, of which at least 12 semester hours must be taken in the division outside of the major, and have the approval of at least one faculty members in an important area of the planned minor. At least 8 credit hours of the minor must be completed after approval of the minor by the Curriculum Committee.
- The program must be comparable in rigor and scope to existing minor programs. At a minimum, this means that the minor should include significant work at the 300- and/or 400-level.
- Self-designed minors cannot be a subset of an existing minor.
- No more than 4 credits of transfer and independent study credit can be applied to the minor.
- If your proposed minor is Interdivisional, your proposal should indicate how the minor integrates coursework from at least two divisions (Humanities, Social Science, and Natural Science)

Proposal requirements:

1. In the table on the next page, list **all** courses to be included in the minor (completed as well as planned). For each course listed, include the department, course number, title, and number of credits.
2. Provide a detailed typed description of your planned course of study. Emphasize how individual courses function to support your course of study. Explain the relationship between the proposed minor and the major. Demonstrate a progression to higher-level courses and, as appropriate, include the possibility of off-campus study. Supply a 2-3 sentence description of all off-campus courses. Finally, list several alternate courses and discuss where those substitutions may occur and why they would be appropriate.
3. Sign the attached signature page and obtain the signatures of your current advisor and the academic advisor for the proposed minor.
4. Ask the minor advisor to write a letter that assesses the intellectual and academic cohesiveness of the proposed plan of study as well as its commensurability with the goals of a Liberal Arts education.

Submit the completed proposal (including this form) to the Registrar's Office. The Registrar will take your request to the Curriculum Committee, which grants or denies permission for the minor based on the academic viability and integrity of the proposed course of study.
